

OSU Tax Schools:

The mission of the Oklahoma State University Tax Schools is to provide a quality and high valued tax education. The knowledgeable and diverse instructor teams for the Schools consist of veteran tax professionals and representatives of various agencies, including the Internal Revenue Service, the Oklahoma Tax Commission, and the Oklahoma Employment Security Commission.

OSU's Division of Agricultural Sciences and Natural Resources and the Oklahoma Cooperative Extension Service have sponsored the annual Farm & Business Tax Institute since 1961. Initially the Institute educated farmers, preparers, and Extension specialists to prepare tax returns. Over the years it has evolved into a professional continuing education program for tax practitioners addressing broader issues affecting individuals and businesses.

Watch your mailbox and our website at www.osutaxschools.okstate.edu for announcements and information about upcoming tax education programs.
