

OKLAHOMA ENVIRONMENTAL LAW ENFORCEMENT TRAINING SEMINAR

*An Informative Training for Enforcement Officers,
Environmental Managers and Decision Makers*

When: Thursday, September 24th, 2020

Where: Pittsburg County Sheriff's Office (1210 NW St, McAlester, OK 74501)

Registration: 8:30 – 9:00 a.m. / Program 9:00 a.m. – 5:00 p.m.

Cost: FREE (Space is limited; pre-registration is required)

A CLEET Accredited Training Event.

8 hrs. Law Enforcement Credit Provided

(For CLEET credit please provide your CLEET number on the registration form).

Why Attend?

- To gain expertise in environmental crimes investigations involving:
 - Solid and hazardous waste
 - Air and water pollution
 - Open burning
 - Agency jurisdictional issues
- To identify resources for improving local enforcement programs
- To network with others involved in environmental law enforcement.

We are currently planning for an in-person event and will follow local COVID-19 guidelines! A verification email will be sent to all registrants a week prior to the training.

Committed to the future of rural communities.

SEE AGENDA AND REGISTER 

The Instructor

Michael Freeman is a Criminal Investigator for the Oklahoma Department of Environmental Quality (ODEQ). Mr. Freeman's investigations have resulted in a variety of successful state and federal criminal prosecutions, ranging from minor infractions such as waste tire violations to major cases involving illegal disposal of hazardous waste, bribery, and conspiracy to defraud the U.S. government. He is an active member and officer in the Midwest Environmental Enforcement Association (MEEA). He is a Certified Computer Examiner (CCE®) and a member of the International Society of Forensic Computer Examiners, as well as a certified Equal Employment Opportunity investigator and a Certified Verbal Judo® instructor. He is also President and owner of Trilogy Financial Solutions, LLC, an Investment Adviser registered with the Oklahoma Department of Securities, and is a financial counselor trained and certified by nationally-known author and radio talk show host Dave Ramsey. A regular instructor of CLEET accredited environmental enforcement courses, Freeman's interest in sharing his knowledge and experience is sure to help strengthen the efforts of anyone involved in the important arena of environmental law enforcement.
