

**OKLAHOMA STATE UNIVERSITY
COOPERATIVE EXTENSION SERVICE**

BRINGING THE UNIVERSITY TO YOU SINCE 1914

SOLID WASTE MANAGEMENT PROGRAMS – AVAILABLE RESOURCES

Resource Trunks and Displays

- Seven Solid Waste Management Resource Trunks are available for loan to Extension educators, teachers, 4-H and Scout leaders, and other educators throughout Oklahoma
- Topics include Illegal Dumping, Reduce, Reuse, Recycle, and Composting
- “Close the Loop” display features products made from recycled materials
- Curricula and activities are organized by topic and grade level.

SWANA Symposium – Solid Waste Association of North America, Oklahoma Indian Nations Chapter

- Symposium for solid waste management professionals and local decision makers
- Next symposium: March 24th-27th 2014 in Catoosa
- Typical topics: Illegal Dumping, CNG Vehicles, Recycling Construction & Demolition Debris, Pay-As-You-Throw Refuse Structures, Recycling E-Tech and more
- The 2-day symposium features sessions and exhibits. There is also a 1-day bus tour of local facilities along with a concurrent 3-day SWM Certificate Course.

Environmental Law Enforcement Training

- CLEET accredited training for law enforcement officers, environmental managers, county commissioners and others who work with law enforcement officials
- Next class: TBD
- Topics include gaining expertise in solid and hazardous waste, open burning, illegal dumping, environmental crimes and identifying resources for local enforcement

Oklahoma Recycling Association Annual Seminar

- Full day conference and expo, October 17, 2013 in Stillwater
- Previous topics: Economic Outlooks, Future Trends, Case Studies of Successful Recycling and Composting Programs, Household Hazardous Waste, Product Stewardship, Tire Collections, Electronic Waste
- Sessions led by industry, government and non-profit
