Why Attend?

- To gain expertise in environmental crimes investigations involving:
  - Solid and hazardous waste
  - Air and water pollution
  - Open burning
  - Agency jurisdictional issues
- To identify resources for improving local enforcement programs
- To network with others involved in environmental enforcement

Cooperating program sponsors: Oklahoma Department of Environmental Quality, Oklahoma State University Cooperative Extension Service, U.S. Dept. of Agriculture Rural Development.

SEE AGENDA & REGISTER
The Instructor:

Michael Freeman is the senior criminal investigator for the Oklahoma Department of Environmental Quality. Mr. Freeman's investigations have resulted in a variety of successful state and federal criminal prosecutions, ranging from minor infractions such as waste tire violations to major cases involving illegal disposal of hazardous waste, bribery, and conspiracy to defraud the U.S. government. He's an active member and officer in the Midwest Environmental Enforcement Association (MEEA) and he holds an advanced law enforcement certification from the Oklahoma Council on Law Enforcement Education and Training (CLEET). In addition to his state law enforcement commission, Mr. Freeman also has a Special Deputy Sheriff commission from the Oklahoma County Sheriff's Office. He is a certified financial counselor and owner of Trilogy Financial Solutions, LLC, a business that helps individuals and small businesses work through a variety of financial issues. A regular instructor of CLEET accredited environmental enforcement courses, Mr. Freeman's interest in sharing his knowledge and experience is sure to help strengthen the efforts of anyone involved in the important arena of environmental law enforcement.
